Teams for different departments and industries

Get guidance on these and other scenarios in the **[Productivity Library](#)**

MARKETING
Deliver marketing campaigns and go-to-market activities across a diverse group of internal and external stakeholders.

SALES
Build and deliver proposals with input from different stakeholders.

Manage sales planning, training and sales readiness in the same place.

HUMAN RESOURCES
Manage recruitment, training and reviews across departments.

PROJECT MANAGEMENT
Manage project stakeholders, tools, budgets, project reviews and feedback.

IT
Drive IT transformation and change management.

Plan, execute and manage all phases of IT deployment, adoption and rollout.

ENGINEERING
Move quickly between ideation, development and deployment.

Integrate with developer tools.

FIRSTLINE WORKERS
Empower your firstline workforce with tools that will support schedule management and provide oversight to what's most relevant to their day.

HEALTHCARE
Provide the best care possible enabled by a secure platform with secure messaging, streamlined care coordination and health team huddle capabilities.
EDUCATION
Empower your students to create the world of tomorrow with a simple and safe experience that promotes teamwork and unlocks creativity.

Demo

Microsoft Teams Devices

Personal Devices — Shared Devices

| Mobile devices | Personal computers | Desk phones and peripherals | All-in-one collaboration devices | Teams Rooms | Large screen interactive displays |

A range of certified devices in every size, for every space and working style

Consistent Teams experience with more seamless transitions across devices

Integration of software and hardware to enhance the meeting experience

Companion experiences with mobile devices for meetings

Built-in skills and intelligence to support the meeting and calling lifecycle

Consistent experiences everywhere

Easily **schedule**, start and **join meetings or make calls** from PC, Mac, mobile, web, or conference rooms

Our best-in-class **applications** provide a familiar Teams experience **across all devices**

Seamlessly join **plug-in free Teams meetings and make calls** via Chrome and Edge browsers

Schedule, produce and present **Live Event meetings** and **broadcast** to 10,000 attendees

Microsoft Teams **Room systems** provide **1-touch meeting join capabilities** to conference rooms

Automate routine tasks
with Microsoft Flow

Automate existing business processes
with no-code & low-code solutions

Connect and automate **300+ cloud and
on-premises** data services

Use **prebuilt templates** for business
processes like approvals, alerts, data
collection and reminders

Use **advanced scenarios** with branching
conditions, multiple steps, Visio process
modeling, and more

Microsoft

Thank you.
